FINAL STATEMENT

107

Discharge of Service
Final Statement

VOLUNTEERS.

Final Statement

When a Soldier is discharged, the Company Commander will certify to the fact of his discharge, and also to the time he has pay due for having been so discharged on his own name.

When a Soldier is entitled to pay for the use of his horse, the Company Commander will certify to it, and also to the time he has pay due for having been so discharged on his own name.

When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full endorsement of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for such pay, &c., are settled by the 3d Auditor of the Treasury Department.

Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

This blank will be used for deceased volunteers and drafted men, as well as for others.

When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the 3d Auditor, Washington, D. C.

During the 1940s and 1950s, the U.S. Navy had a monopoly on the use of the word "atomic" in connection with military projects. During World War II, the Navy was the only branch authorized to use the word "atomic" in connection with its projects. The Navy's monopoly on the word "atomic" was maintained until the mid-1950s, when the word "nuclear" was introduced as a replacement for "atomic."

When a portable case for carrying, special force must be taken to state the degree of impairment. A. N. W. is directed particularly to describing, when, or during the extent of which the dispositive loss of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharge by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Ed. 1961.
Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be retained through the Army Channel to the regimental post or detachment commander, who will, if the discharge is authorized by the commandant of the proper authority, sign the soldier's discharge, and the last certificate on this paper so that the soldier is furnished with the proper final certificate in duplicate, and forward BOTH of these certificates direct to the Adjutant General, United States Army, at Washington, D.C. They will not, under any circumstances, be given into the hands of the soldier.

VOLUNTEERS.

These certificates are to be filled out by the Soldier or by the Officer who gives the discharge, and are to be submitted to the Adjutant General, or to the Auditor of the Treasury Department, as the case may be, for their approval. The certificate should be filled out by the Soldier, and the Officer should certify to the facts stated therein. The certificate should be filled out by the Soldier, and the Officer should certify to the facts stated therein. The certificate should be filled out by the Soldier, and the Officer should certify to the facts stated therein.

NOTE 1.—If the Soldier is entitled to pay for the use of his horse, the Officer's Certificate will certify to that fact on the back of each three final statements, and also to the time he has pay due for having been so entitled on his own horse.

NOTE 2.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the discharge, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay in his final statements, the clothing account, and all other charges against him, or in his favor, as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the minutes roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of three minutes rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for each pay, etc., are sent by the Adj. Gen. of the Treasury Department.

NOTE 3.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 4.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 5.—Amounts due the Soldier and Landowners must be entered on the minutes roll on which the discharge is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 6.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 7.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Colonel

I have the honor to tender this my
resignation of the office of Second Lieutenant
of Company, 31st Regt. Ill. Inf. for the follow-
ing reasons:

First On entering the service my bor-
rowed health public & private, was left in an entirely
unfitted condition; there being no funds held
owing to the frequent incursions of guerrillas
in my part of Mexico; since which order and
authority has been established & the Courts have
rendered judgment against me to such an extent
that, unless I am permitted to return home, in order
to meet my creditors and adjust matters relating
to my ~~business~~ affairs; my company is bound to pay

me more for duty; thus I am doing
more duty than that of an 8th corporal & yet receiv-
ing the pay due me as Lieutenant!

I have never been absent from the company
without leave - I have turned over and ac-
counted for all government property in my
possession - was last paid by Major H. H. H. H.
up to April the 30th '63, and have pay due me
from that time to the present - and am not

And am not indebted to the United
States on any account whatever.

Therefore, I respectfully and earnestly
request that this, my resignation be accepted.

Yours very respectfully,

VI. The finding and sentence of the General Court Martial, which convened at St. Louis, Missouri, pursuant to Special Orders Number 74, series of 1862, from these Headquarters, and of which Lieutenant Colonel James H. Dimes, of the First Regiment of Infantry, Missouri State Militia, was President, in the case of Patrick Hume, private of Company B, First Regiment of Infantry, Missouri Volunteers, tried on charges of "Conduct prejudicial to good order and military discipline," and "Habitual drunkenness," and sentenced "to be confined at hard labor with ball and chain attached to his leg, during the war, at such place as the General commanding Department shall direct," are disapproved. The charges on which the prisoner is convicted are insufficient. The charges should have been "conduct to the prejudice of good order and military discipline," and the sentence should have set out *to be* confined to such place. The prisoner will be released from arrest and returned to duty.

BY COMMAND OF MAJOR GENERAL RICHARDS.

O. D. GREENE,
Assistant Adjutant General.

OFFICIAL:

Assistant Adjutant General

HEAD QUARTERS, DEPARTMENT OF THE MISSOURI,
St. Louis, Mo., February 24th, 1862.

GENERAL ORDERS,
No. 20.

I. The finding and sentence of the General Court Martial, which convened at St. Louis, Missouri, pursuant to Special Orders Number 74, series of 1862, from Headquarters, St. Louis District, and of which Lieutenant Colonel James H. Dimes, of the First Regiment of Infantry, Missouri State Militia, was President, in the case of Captain J. F. Wm. Dett, of Company B, of the First Regiment of Infantry, Missouri State Militia, tried on the charges of

"Violation of the 45th Article of War;"
"Conduct unbecoming an officer and a gentleman;"
"Violation of the 36th Article of War;"
"Conduct to the prejudice of good order and military discipline;"
and sentenced "to be cashiered,"—are disapproved. Captain J. F. Wm. Dett, of Company B, First Regiment of Infantry, Missouri State Militia, will be released from arrest, and return to duty.

II. The proceedings of the General Court Martial, which convened at St. Louis, Missouri, pursuant to Special Orders Number 306, series of 1862, from these Headquarters, and of which Colonel P. Monahan, United States Army, was President, in the case of George Spencer Wedd, private of Company B, 31st Regiment of Infantry, Missouri Volunteers, tried on the charge of "Desertion," and sentenced "to be confined at hard labor with ball and chain attached to his leg, during the war, at such place as the General commanding Department shall direct," are disapproved. By the Special Orders organizing the Court in this case, "Colonel Pitcairn Morrison, Aid-de-Camp to his

Excellency, the Governor of Illinois," was assigned to duty as a member of the Court. An Aid-de-Camp to a Governor of a State has no right, as such, to sit on a Court Martial for the trial of United States soldiers. The Court being illegal, the proceedings are void. The accused will be put on trial before a competent Court.

III.....The proceedings of the same General Court Martial, in the case of *Robert Black*, private of Company K, Thirty-seventh Regiment of Infantry, Iowa Volunteers, tried on the charges of "Drunkenness, to the prejudice of good order and military discipline," "Disobeying the lawful command of his superior officer," "Conduct to the prejudice of good order and military discipline," and sentenced "to be confined at hard labor for the term of six months, at such place as the General commanding the Department shall direct, and forfeit to the U. S. Government one-fourth of his pay during the term of his confinement," are disapproved. By the Special Orders organizing the Court in this case, "Colonel Pittsain Morrison, Aid-de-Camp to his Excellency, the Governor of Illinois," was assigned to duty as a member of the Court. An Aid-de-Camp to a Governor of a State has no right, as such, to sit on a Court Martial for the trial of United States soldiers. The Court being illegally constituted, the proceedings are void. The accused will be released from custody and returned to duty, under the direction of the Provost Marshal General.

IV.....The proceedings of the General Court Martial which convened at Warrentsburg, Missouri, pursuant to Special Orders Number 8, from Headquarters, District of Central Missouri, and of which Major Alexander H. Molans, of the First Regiment of Cavalry, Missouri State Militia, was President, in the case of Captain Andrew Jackson, of Company C, First Regiment of Cavalry, Missouri State Militia, tried on the charges of "Disobedience of orders," and "Neglect of duty," and sentenced "to be dismissed the service without loss of pay or emoluments," are disapproved. The record does not show that the

accused pleaded to the second charge. Captain Andrew Jackson, of Company C, of the First Regiment of Cavalry, Missouri State Militia, will be released from arrest, and return to duty.

V.....At the General Court Martial which convened at St. Louis, Missouri, pursuant to Special Orders Number 31, current from these Headquarters, and of which Colonel Lewis Merrill, of Merrill's Horse, is President, was attended and tried:

Joseph J. Earle, a married man, private of Company F, Third Regiment of Infantry, Iowa Volunteers, on the following charge and specification:

CHARGE:

"Absence without leave."

SPECIFICATION: "In that, that *Joseph J. Earle*, an enlisted soldier in the service of the United States, private Co. F, 3d Regt. Iowa Infantry Volunteers, did absent himself, without leave of his commanding officer, from his detachment at Weston, Butterick, Mo., on or about the 25th day of November, 1863, and did remain absent from such service until on or about the 10th day of February, 1864, when he voluntarily returned."

To which charge and specification the accused pleaded as follows:

To the specification, "Guilty."

To the charge, "Guilty."

FINDING:

The Court, having maturely considered the case, finds the accused as follows:

Of the specification, "Guilty."

Of the charge, "Guilty."

SENTENCE:

And the Court does therefore sentence him, *Joseph J. Earle*, private Co. F, 3d Iowa Infantry Vol., "to forfeit all pay and allowances during the time he was absent, viz: from Nov. 25th, 1863, to February 10th, 1864, and to be confined ten days."

Finding and sentence confirmed. Sentence of imprisonment will be carried into effect at the Myrtle Street Military Prison at St. Louis, Missouri, under the direction of the Provost Marshal General. The stoppage of pay will be made by the proper officer.

You will at your earliest convenience furnish this office with the names of the soldiers of your company who were sent by you on citizens' orders to secure Spencer H. You state in your letter of Sept 14th that "Wells acknowledged that he was a deserter stating that he went into the Confederate lines with a white rag on his bayonet." To whom was this admission made can that person be had as a witness.

Sir

I have spoken with it at
length to say another in a letter he
is a very notorious man from the fact
information that I can get - and should
be true to a military commission and
should - He has shown all efforts to capture
him until yesterday I broke up four
of my men in citizen clothes and sent
them to his house at Bushwhacker and
they proposed to him to organize a company
to take up the rail road track and drive
my company out of Cuba which he
refused absolutely - and turned out with
them to get them to quit - Giving the
names of several citizens that might be
reliable - in case there were any prospects
of success, I have a quarrel out - trying
the parties names at this time,
He is so cowardly that he deserted and
went in to the Confederate lines putting
a whole platoon in his hands -
I have sent a detachment of 100 men
to the depot at St Louis 2110
I am very truly

Dear General

I have been by
Sergeant Thomas H. B. Davis arrested
as a deserter. I concluded to send him
to you in place of the deserters
Simpson & from the fact that I thought
he should be tried by a military commission
and that I learned from his servant
that he was a desperate character and
that he had eluded every effort to arrest
him yesterday morning I had four
men dressed in citizen's dress and sent
them to his house as Confederate soldiers
they proposed to him to organize a company
or rather to recruit a few more men
informing him that they were a part of
the same command to take up the Railroad
track and drive the militia out of
Cuba which he readily assented to and
turned out to assist in recruiting the
men promising to bow with them to one
or two more that were all right and to
assist in the future arrangements

I CERTIFY ON HONOR, That I have carefully examined the above named Recruit, according to the General Regulations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

I CERTIFY ON HONOR, That I have minutely inspected the Recruit,

previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able bodied soldier, I have strictly observed the Regulations which govern the recruiting service. FINAL STATEMENT

OF

Mark William Quate Co. 2d

31st Regt. Missouri

VOLUNTEERS.

Due to Wife

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or Soldier who may be discharged from the service of the Company, that he may at once receive from the Paymaster the pay due him and the unpaid or other compensation, either commencing the company will certify to the actual discharge of the duplicate certificate, on these conditions the Soldier is "released from his discharge and should not present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given such to one Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. This endorsement should contain a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, and to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be carried upon the receipt of three master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is missing. These accounts for back pay, &c., are settled by the Adjutant General's Department.

NOTE 4.—Charges for loss or injury to arms, accoutrements, and other miscellaneous charges, should appear under the heading of "Other Stoppage."

NOTE 5.—Bounty paid by State authorities, or not in the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family shall be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

When one party has not known to the company commander the existence of some officers of influence of some interest in the army, would be considered—was the company commander of a regiment the officer commanding a detachment of reserve, Secs. &c.

When a possible case for pension, special care must be taken to make the degree of a wound, such as, for example, to determine precisely the location, wound, or fracture, the extent to which it deprives him of the use of any limb or faculty, or of any of his bodily strength, activity, occupation, or capacity to labor or earn his subsistence. The surgeon will, also, from his knowledge of the facts and circumstances, and from the experience in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, &c., or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

This certificate will be made out to duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to the corps, department, or other commander or officers to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the endorsement on this paper, and that the order is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C. they will not under any circumstances be given into the hands of the soldier.

FINAL STATEMENT

OF

William H. Miller

1st Regt. Cavalry

VOLUNTEERS.

William H. Miller

NOTE 1.—When a Soldier is discharged, he must submit to the Company Commander a statement of his account, showing the amount of pay, allowances, and other charges against him, and the amount of his indebtedness to the Company. This statement should be verified by the Company Commander, and the discharge should be given on the basis of the statement. The discharge should be given to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to this fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for both pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to baggage, personal equipments and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State or Territory, or by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be deducted from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, all duplicates, to the Second Auditor, Washington, D. C.

Pilot Hospital.

Ward no 10

Vicksburg Miss

August 16th 1863.

To the Commander of the Post
or To the Provost Marshall
at Pilot Knob Mo
Dear Sir,

Allow me to address
you a few lines, though I know
I have no claims on you for
consideration, or Personal favors.

Yet let me relate to you a
few facts, and ask of you
what can be done in the case
I shall speak of. —

Early in the year of the last
Presidential Election I moved from
Henry County Tennessee, to Randolph
County in Arkansas, to get a
cheap home. I got it in the
woods eight miles from

Stannards Ferry, two miles to the
right of the road leading
from the ferry to Pocahontas;
and near Dennis C. Downey a
good Union Man. On account of
the active part I took in behalf
of the Union cause, when Genl
Stalls Command were called to
sack Campfort Ark. & from thence to
Helena Ark. Rebel Guerrillas im-
mediately came in pursuit of me
and other Union Men. On the
sixth of July one year ago I and
others came out to Pilot Knob
with the view of getting aid, and soon
return to Ark and drive out those
Guerrillas. Col Boyds Regiment
went with us, as we thought to
enter Ark. but they halted at
Reens Station and went no fur-
ther. My family, a frail woman
and four little children and an
afflicted Brother of my wife (a

small boy) Seeing that I could not
go into Ark. either to fight, or to
get my family out. I enlisted in
Capt Mannings Co. of the 31st Regt
I. L. Mo Vols. (Col Fletchers Regt.)
I have now been from my wife and
children nearly fourteen months.
My best property two yokes of
Horns the Rebels have taken, and
from first to last, the Rebels have
injured me about three hundred
dollars. I am poor. My wife is
still there, and I can have no
sort of communication with her
to send her any relief. —
I am here in a very feeble state
of health. I have applied for a
Discharge. If I get it, I shall
come to Pilot Knob, and I
wish to know, whether any of
the troops there, or the Militia
will go down with me, and
help me to get my destitute

and children over of
Ark. She gets not a taste
of coffee. nor sugar, nor flour
nor salt nor spice kinger, or
clothing nor shoes only as she
makes them by spinning and
weaving warp and woof.

I want to get out, and settle
them where they can live.

Could not some of our
troops assist me in this
matter. My wife would have
moved out before this, but
she could not. I live just
fifteen miles from Van Buren
South, and fifteen miles from
Pocahontas Ark north.

write to me soon. Hand
this letter to Captain Cooper.
and tell him to answer soon.
I live near some Rebels that
helped to ban in on him at
Greenville Mo. The horses they
got of Cooper were divided among
them near to where I live.

Yours Truly
Jas. J. Wilson
Post Office

Kindly inform that we have

Dear Sir, I have
sent within a letter to your wife and sent it
to your care. You will please take charge
of it, and send it if you desire. It is directed to
Pilot Knob. If any of our troops go down into
Arkansas. You will please send it down to Pittman's
ferry to the care of D. C. Lowrey who lives 7
miles from Pittman's ferry on the road leading to
Pocahontas Ark. In a letter you wrote me some time
since, you stated that I might have frequent oppor-
tunities of going down if I were there. The Dr
Here are about to turn me into the invalid corps.
But say I ought to go to some Clerkship. You
Sir, will please, if possible, get me a situation
at the Quarter Master's or some other Dept
there, and write soon for me to come up,
and state whether our troops are passing

been into Ark. I do desire to bring
my family out of Ark. can I not be
legally and permanently Detained for
July then Assist me in this matter
General, and perhaps you will be the
means of blessing my family, who may be
at this time in a suffering condition. I
would refer you to Col Fletcher of the
31st Mo Regt (Thos C. Fletcher) I belong to
that Regt. I have been from Home near
sixteen months. Being an Arkansas
Refugee.

Very Respectfully I am Yours &c

Inform me soon,
for I desire soon to
be there.

Dear Sir

Sept 11 1864

I have just received a letter
from Mr. [unclear] saying that
you had written that I should
write him to let you know
that I was in a letter to
you from my husband &

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow \infty$. It is shown that the solutions of the system (1) are bounded and tend to zero as $t \rightarrow \infty$ if the matrix A is stable. The second part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow \infty$ if the matrix A is not stable. NOTE 1.

The surgeon will fill out this certificate in duplicate, and forward one copy to the commanding officer of the detachment to which the soldier belongs, and the other copy to the Adjutant General's Office, Washington, D. C. The certificate will be filled out in duplicate, and forward one copy to the commanding officer of the detachment to which the soldier belongs, and the other copy to the Adjutant General's Office, Washington, D. C.

When a probable cause for permanent disability is found, the surgeon will fill out this certificate in duplicate, and forward one copy to the commanding officer of the detachment to which the soldier belongs, and the other copy to the Adjutant General's Office, Washington, D. C.

NOTE 2.

When a probable cause for permanent disability is found, the surgeon will fill out this certificate in duplicate, and forward one copy to the commanding officer of the detachment to which the soldier belongs, and the other copy to the Adjutant General's Office, Washington, D. C.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; and that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates direct to the Adjutant General's Office, United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.

The commanding officer will issue a certificate of disability only when he is satisfied that the soldier is unable to perform his duty, and all the circumstances, including the nature, extent, and duration of the disability, are such as to require the issue of a certificate. The certificate will be issued only when the injury was received or the disease contracted while the soldier was in the line of duty, and when the injury or disease is such as to require the issue of a certificate, and a judgment as to the nature, extent, and duration of the disability, and the circumstances attending it.

When the facts are not known to the commanding officer, the certificate of disability will be issued only when the commanding officer has been informed by a medical officer of a hospital, or by a medical officer of a regiment, of the nature, extent, and duration of the disability, and the circumstances attending it.

NOTE 2.

When a certificate of disability is issued, the commanding officer must be satisfied that the soldier is unable to perform his duty, and all the circumstances, including the nature, extent, and duration of the disability, are such as to require the issue of a certificate. The certificate will be issued only when the injury was received or the disease contracted while the soldier was in the line of duty, and when the injury or disease is such as to require the issue of a certificate, and a judgment as to the nature, extent, and duration of the disability, and the circumstances attending it.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's commanding officer or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward one of these certificates to the Adjutant General United States Army, at Washington, D. C., they will not under any circumstances be given into the hands of the soldier.
